

MUKHYAMANTRI AMRUTUM YOJANA

MEGA HEALTH CAMP

09th, August, 2013.

G.K.GENERAL HOSPITAL, BHUJ DISTRICT KUTCH

INTRODUCTION:

With an objective to reduce the burden of disease and out of pocket spending for higher treatment of BPL families The State Nodal Cell, Health & Family Welfare Dept. Gandhinagar, District Panchayat, Kutch in active coordination with District health society, Kutch, organized First Mega health Camp under Mukhyamantri Amrutum Yojana on 09th, August, 2013 at G.K.General hospital, Dist. Kutch from 8:30 hrs. To 17.30 hrs.

OBJECTIVES:

The main objective behind the mega health camp was to screen patients from village level by medical officers, provide specialty consultation, instant diagnose & necessary treatment along with drugs. The Patients, who need higher tertiary care treatment, are as soon as referred to various net work hospitals under MA yojna for future treatment.

Mainly focus on Mukhyamantri Amrutum Yojana. In Kutch district there are many BPL Families, who cannot afford costly tertiary care treatment or because of low economic status. The Mega health camp under MA Yojna aims to provide free multi-specialty consultation, all necessary diagnosis, required drugs at mega health camp, finally guide the referred patients to avail the needful treatment at nearest empanelled hospital and follow up under MA Yojna.
